Dear Parents:

The kindergarten experience is very special for both you and your child and is certainly one of mixed emotions. The staff at Pelham Elementary School is planning for the arrival of your child and preparing to make it a positive experience.

We are excited to announce that in addition to our current transportation routine, we will now be adding MID-DAY transportation to include bussing from the morning session home and to the school for the afternoon session.

Please complete the required registration documents that need to be returned to the school by **April 3, 2020**. Kindergarten assessments will be conducted in the fall by their classroom teacher. If you choose to be considered for our K-ABC program, more information is available in the packet. We will schedule the K-ABC applicant's assessments upon completion of the registration packets. Only the first 24 students registered will be considered for this program, as we have limited spaces available.

Our office staff is available to accept registrations between the hours of 10:00 a.m. and 2:00 p.m. daily. We will only accept packets that are complete with all necessary documents. Please call Pelham Elementary School at 635-8875, x 1005 and speak to Danielle Pilato with any questions.

We encourage you and your child to attend our

K-ABC Program

(Kindergarten-Activity Based Curriculum)

K-ABC is an integrated, tuition-based program that affords students an extended kindergarten experience. This program focuses on social and activity-based activities while reinforcing basic academic skills. Students in K-ABC will attend AM Kindergarten and continue their extended day experience at the main PES building.

Students considered for K-ABC are expected to have the following skills coming into Kindergarten:

- Interacts well with peers and adults
- Attends and engages in age appropriate lessons
- Engages in conversation and expresses wants/needs appropriately
- Respects personal space
- Follows simple directions from a teacher

The tuition for K-ABC is \$180/month (subject to change). If you believe your child meets the criteria and you are interested in the full day program please fill out the form below and **return it with your registration.**

Students who would like to be considered for K-ABC will attend an observation lesson on Monday, May 4th at either 9:30 am or 11:00 am for one hour. Please schedule this when dropping off your registration. This observation lesson will provide PES staff with the opportunity to meet your child and determine eligibility for K-ABC.

Please keep in mind that the K-ABC program can only accommodate a small number of students (4-5 students). K-ABC status will be available at the Parent Information and Student Move-Up Night on Monday, May 26th. There will be a wait list for students who are not selected.

Continued enrollment in the program is dependent on your child being able to display appropriate social behavior.
